The kitchen. 2019. Photography, Photomontage

## THE KITCHEN By Arnold Wesker

The whole show takes place in a kitchen.  
Everyone in the show is exploding with anger  
And finally a bomb explodes.  
And I made a bomb with cucumber and carrot  
and made this poster.

## IF WE STARTED AGAIN

By Éric-Emmanuel Schmitt

This play is about a man who enters his mother's old house and collides with a standing clock and becomes unconscious. And the rest of the story is about what would have happened if it had started from the beginning.

## CALIGULA

By Albert Camus

This play is about a crazy king. In one scene, he throws himself in the mirror to kill himself, but fails. And I was inspired by this scene to make this poster.

# THE CHERRY ORCHARD

Our Town. 2019. Photography, Photomontage

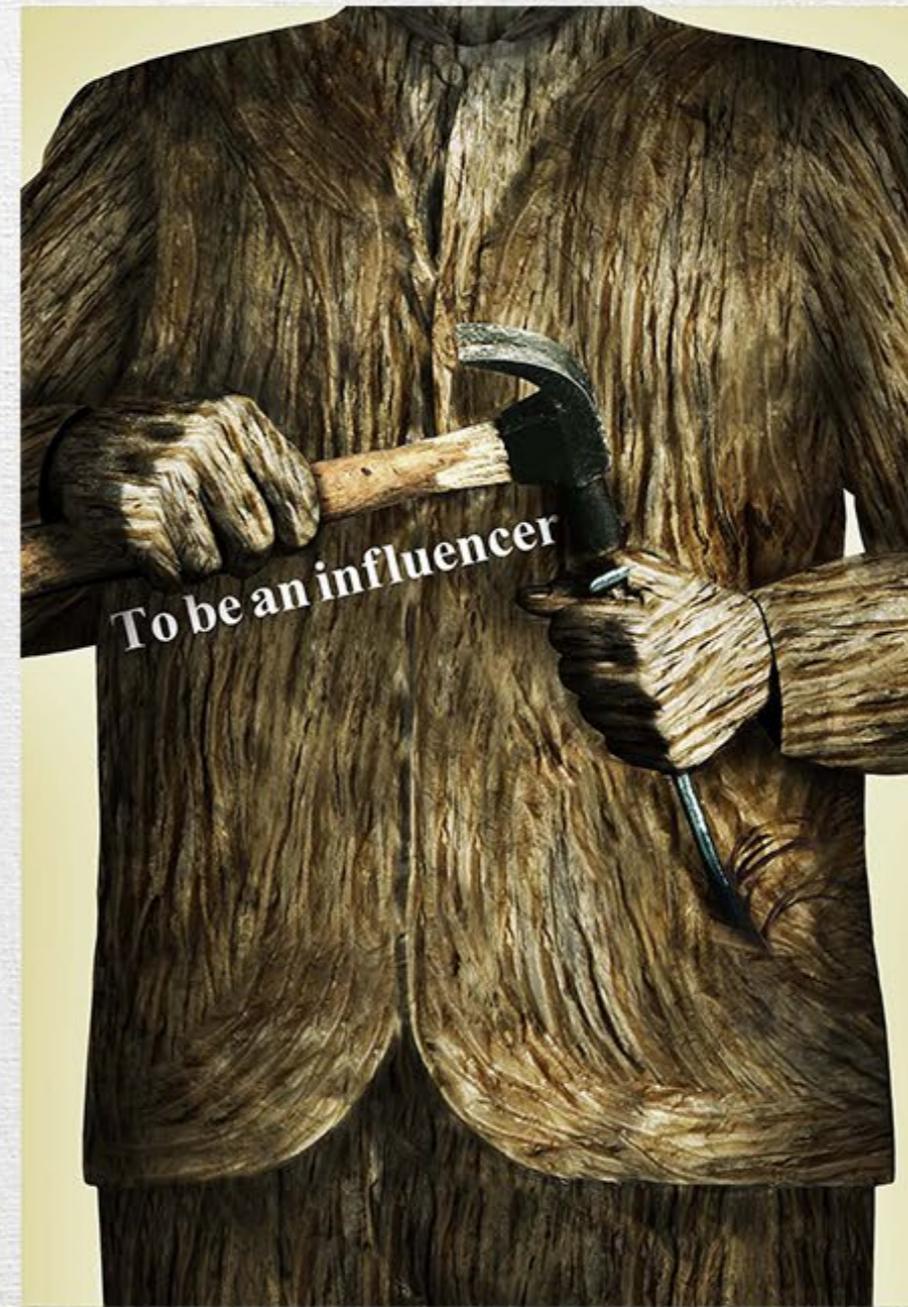

## OUR TOWN

By Thornton Wilder

Many things happen in  
this city, but I was  
inspired by the fact that

everyone in this city is  
indifferent to what is  
happening.

In Iran, if someone is  
very indifferent, we say  
she/he is like a potato!  
so i made a city with  
potato.

## JUSTICE?

Our world is full of injustice. But what worries me most is the war and the children and families that are being destroyed. These kids never chose to express themselves to this word. An exhibition on justice was held in China and Turkey, and I was present at the exhibition with a work.
